

Media Permission Form - Members

At REVEL, we respect individuals and families' privacy and wishes around photography and video of themselves and their teens/adults.

Some purposes for which we may use photos or video include, but are not limited to:

- Marketing materials
- Sharing experiences with friends
- Social media (Facebook, Instagram, Twitter, etc.)
- Developing friendships
- Creating memories

Videos of your teen/adult will never be shared outside of REVEL without a release of information consent form signed by the member or parent/guardian.

Due to the fact that many other members may be attending programs at the same time as your teen/adult, and in an effort to protect all member's and mentor's privacy, we ask that media not be used by those attending programs without prior consent from REVEL staff.
